

Call for Papers: Radiology Nursing Moves Forward

The **Journal of Radiology Nursing** is planning a special issue in 2022 on professional development and workforce issues. Sample topics:

- What it means to be a radiology nurse
- Advanced practice procedures
- Workforce diversity benefits and challenges
- Journal clubs
- Preparing for local or national leadership
- Moral intelligence/physical and moral resiliency
- Professional staff development
- Interdisciplinary collaboration (RN, RT, MD, etc.)
- Recognizing emerging leaders
- Staff recognition (methods/uses)
- Work-life balance/harmony
- Technological influences on practice: beyond PCAs and Pumps
- Orientation: role of technology and simulation
- Engaging in scholarly work (research, publication, presentations, and more)
- Defining clinical competence
- Precepting: possibilities and promise
- Recruiting and retaining RN staff
- Succession planning
- Incivility and lateral violence
- Annual evaluations and peer review
- The nurse as a change agent
- On-call survival techniques
- Compassion fatigue
- Certification in specialty nursing
- Building relationships with MD colleagues
- Fatigue on the job, workload, and errors
- Ethical dilemmas in imaging case studies
- Radiology nursing leadership in PI & QA
- Supporting creativity and innovation
- Professional association membership (work, value, rewards, etc.)
- Occupational safety issues (backs, sharps)
- Benefits of working in a Magnet® facility
- Stroke center radiology RN coordinator
- Role of the quality improvement radiology RN
- Telehealth and the APRN
- Participation in hospital committees/boards
- Transitioning to a new role
- A day in the life of a radiology nurse
- Narrative writing in nursing
- Elevating the public image/role of radiology nursing
- Finding a mentor
- Mentoring: new talent recognition

We are seeking original research and review manuscripts (4000 words), case studies (1000-1500 words), and short communications (1000-1500 words). Authors should submit an abstract, 3-5 keywords, and several highlights. Authors also may include links to websites, video demonstrations, images, forms, documents, or figures (some of which may be online only). Authors are responsible for obtaining permission to reuse copyrighted material before submitting to the journal.

Manuscripts should be submitted by July 15, 2021. Authors should consult the [Guide for Authors](https://www.journals.elsevier.com/journal-of-radiology-nursing) at <https://www.journals.elsevier.com/journal-of-radiology-nursing>.

Content queries and submission questions can be sent to Editor-in-Chief Kathleen Gross, MSN, BS, RN-BC, CRN, at kathleen.gross@arinursing.org.
